## WEB DESIGN EXPERIENCE (1999 – Current)

- 14 Years of Owning & Managing my own Freelance Web Design Business  
[www.SanDiegoWebDesigner.net](http://www.SanDiegoWebDesigner.net)
- Designed over 100 Web Sites for small to medium sized businesses located throughout the United States (Portfolio available on [www.KimDumas.com](http://www.KimDumas.com))
- For the past 3 years, most of my sites have been developed utilizing WordPress or Joomla
- For my Dreamweaver web sites, I design a comp with Photoshop and then utilize Graphic Slicing, HTML, CSS, and Javascripts to develop the site based on the comp.
- For dynamic content such as slideshows, galleries, and navigation, I employ several useful software programs that use JQuery or JavaScript. (ie: Wowslider, UltraMenu)
- Design & Deliver Email Marketing Blasts for Clients
- As a Reseller for various web products, I have been a one-stop shop for my clients. I purchase and setup their Domain Name(s), Web Hosting, Email, Google Analytics, Email Marketing, and install SSL if needed.
- Worked as SEO tech support consultant for Web Position Gold Software (2000 & 2001)

## HARBOR SAILBOATS (1993-1999)

Before starting my own business, I managed a sailing club on Harbor Island for 6 years. Duties and responsibilities included:

- Charter Reservations
- Club Member Sales
- Scheduling Sailing Instruction Classes & Club Events
- Organizing Corporate Regattas with Event Management Companies
- Organizing Club Flotillas in sailing destinations such as the Caribbean and South Pacific
- Created first Web Site for Harbor Sailboats using HTML only (1996)
- Created several MS Access Databases to Manage Club Member Records & Corporate Regattas
- Wrote and Designed the Monthly Newsletters
